Terms and Conditions

I, _____, (Club President/Owner or Secretary) certify that by affixing my name to this document, I have read, understood and agreed to the terms outlined as follows. This application is made with the understanding that, if accepted, the Club/Organization will be governed by By-Laws, Regulations, Policies and Procedures of the Ontario Cheerleading Federation. In this regard, we remind you that Clubs are required to register all individual members on a continuing basis over the course of the year as soon as they join a club program. Clubs will be required to verify their membership numbers if the Ontario Cheerleading Federation has reasonable grounds for concern that not all members have been registered.

The Ontario Cheerleading Federation requires the designated club to verify membership numbers by signature of the President/Owner or Secretary of the Club within seven (7) days when requested to do so. The Ontario Cheerleading Federation has the right to request financial statements, to access class lists, to do spot audits and to send a representative into the clubs. Financial statements are to be used for the purpose of membership and insurance verification as well as fee payments. We advise that failure to satisfy the reasonable concerns of the Ontario Cheerleading Federation with regard to the accuracy of a club's registration of members may result in non-acceptance, termination or suspension of club membership.
